### Quartile Ranking Based on Total Score

2.1

### Explanations:

1. **NRS** refers to the National Reporting System. Students meeting the criteria of NRS eligibility should have received services of 12 or more hours and be pre-tested using the TABE, BEST Plus or BEST Literacy tests.

2. **MSG** refers to Measurable Skills Gain as defined by completion of an Educational Functioning Level or the receipt of a Secondary School Diploma/Credential Attainment.

3. ‘**Enrollment by Funding Source**’ refers to a duplicated count.

4. **For EPE enrollment**, only NRS-eligible students will be counted. Please see note #1 for more details.

5. Please note that enrollment numbers are included as information only but may be used for evaluation purposes in future years.

6. **HSE-related statistics** are derived by a quarterly data match between ASISTS and the HSE database managed by NYSED. HSE diploma refers to High School Equivalency diplomas. State statistics are only for NYSED funded prep programs.

7. **Students included in follow-up outcome calculations** attended and exited programs in earlier years.

8. **POP** refers to the Period of Participation. The same student may have multiple POPs if she or he left the program and returned.
