	4.0

Explanations:

- NRS refers to the National Reporting System. Students meeting the criteria of NRS eligibility should have received services of 12 or more hours and be pre-tested using the TABE, BEST Plus or BEST Literacy tests.*
- MSG refers to Measurable Skills Gain as defined by completion of an Educational Functioning Level or the receipt of a Secondary School Diploma/Credential Attainment.*
- 'Enrollment by Funding Source' refers to a duplicated count.*
- For EPE enrollment, only NRS-eligible students will be counted. Please see note #1 for more details.*
- Please note that enrollment numbers are included as information only but may be used for evaluation purposes in future years.*
- HSE-related statistics are derived by a quarterly data match between ASISTS and the HSE database managed by NYSED. HSE diploma refers to High School Equivalency diplomas. State statistics are only for NYSED funded prep programs.*
- Students included in follow-up outcome calculations attended and exited programs in earlier years.*
- POP refers to the Period of Participation. The same student may have multiple POPs if she or he left the program and returned.*
