

Hello NY CNA Team,

We are asking for your help to distribute the below information. If you have email lists of programs, employers, boards or CNA community contacts, can you please assist us in getting the JA survey information out to those groups.

Thank you!

## **WE NEED YOUR HELP!**

Prometric is undertaking a comprehensive research project referred to as a Job Analysis. You are invited to participate in an online survey that will validate the tasks and knowledge that are important to the work performed by Certified Nurse Aide professionals.

The results of the study will be used to update the Certified Nurse Aide (CNA) Exam and will also provide Prometric with valuable information regarding the work performed by Certified Nurse Aides.

Your participation is critical to ensuring the success of the study. As part of this study, we need your help in completing an online survey. The survey will take approximately 30 minutes to complete and can be saved and completed in multiple sessions.

**Please forward this email and survey to anyone whom can assist us with getting responses regardless of State in which they reside or work – our goal is to receive responses from all 50 states.**

**INSTRUCTIONS FOR PARTICIPATION:**

**To access the survey, either click on the following link:**

The following contact information is provided if you encounter any technical difficulties with completing the survey online or have questions regarding the survey content. Please be sure to identify the survey you are taking (Nurse Aide Job Analysis Survey). Email: [diann.brady@prometric.com](mailto:diann.brady@prometric.com). You will receive a response within 24 hours, Monday through Friday (except holidays).

**Your completed survey should be submitted by Monday, July 11 2016**

Thank you again for your time and contributing your expertise.
