1263 financial reports from the school as required by the department, and the assessments shall
1264 be prorated based upon the number of quarters that the school has operated in the
1265 assessment year.

1266 126.10(j)(11)(iv) The assessments prescribed in subparagraphs (i) and (ii) of this
1267 paragraph shall be based upon each school's gross tuition from the previous year, and

1287 advertising;

1288 126.10(j)(12)(ii)(b)(3) having no licensed private agent responsible for
1289 enrolling the student;

1291 agent or school representative to enroll the student;

1292 126.10(j)(12)(ii)(b)(5) misrepresenting the school or failing to comply
1293 with the requirements of paragraph (2) of this subdivision;

1377 persons other than employers or coworkers attesting to the good moral character of the
1378 applicant; and a nonrefundable \$200 fee payable to the Education Department except that,
1379 pursuant to Section 5004(4-a), the school director may apply for an agent's certificate without
1380 incurring the application fee. In making application for an agent's certificate, the school shall
1381 certify that through the medium of sales manuals, bulletins or other similar means, the agent is
1382 fully informed as to its courses, services, charges, enrollment conditions and operating policies,
1383 including the refund policy. The school must further certify that it assumes full responsibility
1384 for the actions, statements and conduct of its agent, acting in its behalf, and that it uses an
1385 acceptable plan for the selection, training and supervision of the agent.

1386 126.12(c) Application for the renewal of an agent's certificate shall be filed by mail no later
1387 than 30 days before the expiration of the current certificate at an office designated by the
1388 commissioner. A *renewal application* shall mean an application submitted prior to the

1393 126.12(d) In the event of the dismissal or resignation of an agent, the school shall notify the
1394 commissioner in writing within 10 days thereof. The agent's certificate shall be returned with
1395 such notification.

1396 126.12(e) Agents shall not identify themselves or be identified as counselors or by other titles
1397 which mislead or tend to mislead the prospective student.

1398 126.12(f) No school may procure, solicit or enroll students unless at least one salaried
1399 employee of the school is in receipt of an agent's certificate pursuant to this section.

SECTION 126.13. EXEMPTIONS

1400 Entities that are exempt from article 101 of the Education Law and this Part are prescribed in
1401 section 5001(2) of the Education Law.

SECTION 126.14. DISCIPLINARY ACTIONS AND PENALTIES

1402 126.14(a) Disciplinary action against schools.

1403 In determining the penalty to be imposed upon a finding that disciplinary action against a
1404 school is warranted, in accordance with the provisions of Education Law, section 5003, the
1405 commissioner shall take into account the effect of the conduct which formed the basis for the
1406 disciplinary proceeding upon the students attending the school, the general public and any
1407 other affected individual or group. Prior to initiating action against schools during the initial
1408 two-year licensing period, the commissioner shall take into consideration the factors set forth
1409 in section 5003(1)(d) of the Education Law.

1410 126.14(b) Disciplinary actions against private school agents.

1411 126.14(b)(1) The commissioner, after affording a certified private school agent notice and an
1412 opportunity to be heard, may fine such agent, or suspend or revoke such agent's certificate at
1413 any time for failure to comply with the requirements of the Education Law or of this Part or
1414 for any other good cause.

1415 126.14(b)(2) Revocation or suspension of a private school agent's certificate. Where the
1416 commissioner seeks to revoke or suspend a private school agent's certificate, the certificate
1417 holder shall be given reasonable notice of the nature of the proceeding and a statement
1418 sufficiently particular to give notice of the transactions and occurrences involved and the
1419 material elements of each cause of action against the certificate holder. The certificate holder
1420 shall also be given notice of an opportunity for a hearing in accordance with subparagraph (i)
1421 of this paragraph.

1422 126.14(b)(2)(i) If a hearing is requested, the certificate holder shall be given reasonable
1423 notice of the time, place and nature of the hearing. The certificate holder may appear in
1424 person or may be represented at the hearing by an attorney, may respond and present
1425 evidence and argument on the issues involved, and may cross-examine witnesses. The
1426 hearing, at which a verbatim record shall be taken, shall be held before a hearing officer
1427 designated by the commissioner, who shall have the powers of a presiding officer in
1428 accordance with section 304 of the State Administrative Procedure Act. The strict rules of
1429 evidence shall not apply to such hearings, but the decision of the hearing officer shall be
1430 supported by substantial evidence in the record. Disposition may be made in any hearing
1431 by stipulation, agreed settlement, consent order, default or other informal method. The
1432 decision of the hearing officer shall be delivered or mailed forthwith to the certificate
1433 holder and to his or her attorney of record.

1434 126.14(b)(2)(ii) If a hearing is not requested, the commissioner shall issue a
1435 determination based upon the evidence submitted in support of the charges and any
1436 additional evidence submitted by the certificate holder.

1437 126.14(b)(3) Fines. Where the commissioner seeks to impose a fine on a certified private
1438 school agent for misconduct not warranting a more severe disciplinary penalty, the
1439 department shall serve notice of the charges upon the certificate holder either by personal

1440 service or certified mail. Such notice shall specify the basis for the charges with sufficient
1441 particularity to apprise the certificate holder of the nature of the incidents or transactions
1442 leading to the charges, and shall contain a statement that unless an answer to the charges is
1443 received by the department within 20 days after personal service of the notice or within 25
1444 days after service by certified mail, the charges will be deemed to be true and a fine will be
1445 imposed. The certificate holder may answer the charges and may submit evidence in written
1446 form, including affidavits, in support of such answer. If the commissioner finds that the
1447 charges of misconduct are supported by substantial evidence, the commissioner shall impose
1448 an appropriate fine and shall notify the certificate holder of such determination by mail.
1449 Failure to pay such a fine within four months after receipt of such notice shall constitute good
1450 cause for suspension or revocation of a private school agent's certificate.

1451 126.14(b)(4) Indemnification. No employer of a private school agent other than a school may
1452 indemnify or otherwise reimburse an agent for fines imposed on the agent pursuant to this
1453 subdivision and Education Law, section 5004(7). If the agent demonstrates, to the
1454 satisfaction of the commissioner, that the action for which the agent was fined was
1455 undertaken because of explicit instructions from the school owner, director, or other school
1456 administrator, the commissioner shall take appropriate disciplinary action against the school
1457 in accordance with Education Law, section 5003, to require the school to indemnify or
1458 reimburse the agent the amount of the fine and pay to the commissioner an additional fine of
1459 an equal amount.

1460 126.14(c) Pursuant to section 5001(9) of the Education Law, any annual assessment fees
1461 submitted by the schools to the department after the due date shall be subject to an interest
1462 penalty. The commissioner shall calculate the amount of the interest penalty as follows:

1463 126.14(c)(1) For each due date, payments made within 30 days following such due date
1464 shall be subject to an interest penalty of one percent above the prevailing prime rate.

1465 126.14(c)(2) Interest penalties not paid within 15 days of notification of the amount of
1466 the penalty may be increased in accordance with the method used by the commissioner to
1467 compute the interest penalty in the first instance.

1473 principally used in the sales presentation, the language of instruction as approved by the
1474 commissioner and English; and

1476 should review the approved school catalog to determine factual information about the school.

SECTION 126.16. TEACHOUT PLANS

1477 All teachout plans developed pursuant to section 5006 of the Education Law shall be submitted
1478 to the department at least 30 days prior to the implementation of the teachout plan. Teachout
1479 plans submitted less than 30 days prior to the teachout may be denied based upon a school's
1480 inability to meet such a timeline.

1495 and

1496 126.17(a)(8) any additional violation in which the commissioner demonstrates that the
1497 student would not have enrolled in the school but for the commission of that violation.

1499 for the tuition reimbursement account for the quarter in which the school ceases operation by

1508 statement for the time period between initial licensure and March 31st, detailing the amount of
1509 gross tuition received during that period. Thereafter, complete financial statements shall be
1510 required as prescribed in section 5001(4)(e) of the Education Law.

1517 online education marketplace in connection with such student's enrollment at a
1518 school, the prospective student and the school shall execute an enrollment agreement in
1519 accordance with section 126.7 of this Part within 30 calendar days of receipt of such
1520 monies by the online education marketplace. If an enrollment agreement is not executed

1529 of the cancellation of the agreement.
