- 1. 2019 Enrollment includes students receiving services funded by Adult Literacy Education (ALE).
- 2. MSG refers to Measurable Skills Gain as defined by completion of an Educational Functioning Level or the receipt of a Secondary School Diploma/Credential Attainment.
- 3. NYRS refers to the New York Reporting System. Students meeting the criteria of NYRS eligibility have received services of 12 or more hours and pre-tested using the TABE, BEST Plus or BEST Literacy tests.
- 4. If a student has achieved educational gain in addition to attaining an HSE, she or he will be counted only once in the column '# with MSG'
- 5. Weights are multiplied with "# with MSG" for each level and then totaled to calculate the numerator for the weighted MSG percent calculation. The denominator is the total number of students enrolled (with the exception of ASE High students)

.....
