**GED® Test Verification Form for Test Centers Which Register Test Takers**

The test taker should complete the information below. This information will be used to ensure that the test center enters the test taker's demographic data accurately when registering the test taker and creating their GED account.

The test center's address and email address should be used when creating the test taker's account. However, the test taker's official HSE testing record will reflect the information stated below. Please note that HSE diplomas earned through testing at private or corrections test centers will be mailed directly to the test center. Please use test center address and indicate on the second address line, the name of the contact at the test center who should receive the diploma.

Upon release from the facility or exiting a private test setting, the test center will need to release the test taker's account. The information provided below may be used to complete this action. Alternatively, the test taker can call GED Testing Service at 1-877-392-6433 to indicate they have been released and would like to access their own account.
