APPLYING FOR ACCES-VR SERVICES

IEP/CSE planning or other school discussions prior to junior year should include the consideration of a referral to ACCES-VR so that you can make an informed choice about applying. You don’t need to have an IEP or 504 to apply, as you may have another barrier to employment. Transition staff at your school will help you decide when you should apply, help you complete forms, send forms home for your parent or guardian to complete/sign, and send the entire packet to ACCES-VR once it’s complete.

ACCES-VR is Voluntary. You choose if you want to apply for services or not.

ELIGIBILITY FOR ACCES-VR SERVICES

There are four things student and counselor must establish to determine eligibility for ACCES-VR services.

- That the student has a disability
- That the disability creates a barrier to employment
- That the student can benefit from rehabilitation services
- That vocational rehabilitation services are required to achieve employment

Having an IEP or a 504 plan does not guarantee eligibility for ACCES-VR. All of the above criteria must be met according to federal vocational rehabilitation guidelines. Important steps:

- When you are determined eligible or ineligible you will get a letter.
- If you are eligible, services will not begin until you have met with your counselor and developed a plan.

MEETING WITH YOUR ACCES-VR COUNSELOR

While you are still attending high school:

- You may meet at your school;
- Your parent or guardian will be invited; and
- A transition staff person at the high school will help schedule these meetings.

At the first meeting:

- Your ACCES-VR counselor will talk with you about your plans when you leave high school; and
- You will talk about your ideas about a job goal and the services you will need to become employed

Once you leave high school:

- Meetings will be at our district office or in a community location; and
- You will schedule these meetings directly with your ACCES-VR counselor.

DEVELOPMENT OF THE EMPLOYMENT GOAL

Everything ACCES-VR does is directed toward helping you to reach an employment goal. You will meet with your ACCES-VR counselor as often as you need, to:

- Choose a realistic and achievable goal.
- Decide how you will gain the skills you will need to do the job.
- Decide what help you need to find a job.
- Figure out what supports you need to keep a job and who will be able to provide them.
