INVITATION FOR BIDS (IFB)

IFB #24-002

NEW YORK STATE EDUCATION DEPARTMENT

Title: Vehicle Modification Services

The New York State Education Department (NYSED) Office of Adult Career and Continuing Education Services Vocational Rehabilitation (ACCES-VR) seeks bids from Vehicle Modifiers for vehicle modification services. The scope of each modification will depend on the need of the customer being served by ACCES-VR.

As defined in Section 49 CFR 595.6, a Vehicle Modifier is “Any motor vehicle repair business that modifies a motor vehicle to enable a person with a disability to operate, or ride as a passenger.”

Vehicle Modification is any structural or non-structural modification to a motor vehicle. It can include adaptive equipment, or a product system acquired commercially or off the shelf, modified, that is used to increase, maintain, or improve a customer’s functional capacity to drive safely or to ride as a passenger. Structural motor vehicle modification services are alterations made to a vehicle that alter the structure of the vehicle such as raising the roof, lowering a floor, widening the doors, etc. Nonstructural motor vehicle modifications are the addition of adaptive equipment that does not alter the structure of the vehicle such as pedal blocks, left foot brake and accelerator and wide-angle mirrors.

Vehicle Modification services may be requested as needed, by any of the fifteen ACCES-VR District Offices located across New York State. The scope of work will be determined by an evaluation of the customer’s need. Vehicle Modifiers awarded a contract as a result of this IFB will be eligible to respond to mini-bid solicitations issued by any of the 15 ACCES-VR District Offices.

Those mini-bids will be awarded to the lowest cost responsive and responsible bid from the Vehicle Modifier that meets the specifications of the mini-bid. NYSED will only pay contractors who are awarded a mini-bid project and successfully complete the project.

NYSED will award multiple contracts pursuant to this IFB. The contracts resulting from this IFB will be for a term anticipated to begin May 1, 2024, and end April 30, 2029.

Background

The New York State Education Department (NYSED) Office of Adult Career and Continuing Education Services Vocational Rehabilitation (ACCES-VR) provides a wide array of vocational rehabilitation services to over 53,000 New Yorkers with disabilities each year. Individuals receiving ACCES-VR services are known as “customers”. One of the vocational rehabilitation services provided by ACCES-VR is vehicle modification.

Purpose

Vehicle modifications are considered within the scope of "rehabilitation technology" as defined in Section 7(32) of the Rehabilitation Act of 1973, as amended; 29 U.S.C. 705(32), which reads in part "the systematic application of technologies, engineering methodologies, or scientific principles to meet the needs of, and address the barriers confronted by, individuals with disabilities in areas that include education, rehabilitation, employment, transportation, independent living, and recreation." The Rehabilitation Act is located at The Rehabilitation Act Weblink.

The purpose of this IFB is to solicit bids from potential vendors interested in providing vehicle modification services to ACCES-VR. The types and descriptions of vehicle modification activities are taken from ACCES-VR’s Standards for Automotive Adaptive Equipment.

Note: ACCES-VR's Standards for Automotive Adaptive Equipment are expected to be updated and will replace existing standards during the course of contracts awarded as a result of this IFB. Vehicle Modifiers will be required to adhere to current standards.

These standards are applicable to automotive adaptive equipment available as options and vehicle modifications subject to purchase in whole or in part by ACCES-VR on behalf of eligible customers who require adaptive equipment and/or modifications to drive or ride as a passenger.

ACCES-VR makes these purchases to assist eligible customers to meet the employment goal in their Individual Plan for Employment (IPE). Within the parameters of the IPE, the customer’s informed choice, and evaluation recommendations, ACCES-VR will determine which purchases will meet the customer’s functional needs in the most cost-effective manner.

Only adaptive equipment and/or modifications covered by ACCES-VR’s Standards for Automotive Adaptive Equipment may be purchased. Adaptive equipment and/or modifications not covered by these standards will require written approval by ACCES-VR prior to authorization of work.
These standards cover devices, mechanisms, and additions to a motor vehicle which are or can be installed in a motor vehicle as an after-market manufacturer purchase item in order to adapt that motor vehicle to permit a physically disabled person to drive it on the public highway, or to permit an individual with a disability to ride as a passenger in a motor vehicle. Such adaptation includes devices and provisions for entering and leaving a motor vehicle, for operating the vehicle or components of the vehicle, and for restraint of drivers and passengers with disabilities and equipment associated with those persons, such as wheelchairs, canes, walkers, etc.

Vehicle modifications may include changes to the existing sub-systems of a motor vehicle in order to effect adaptation for the driver or passenger with a disability. These sub-systems include but are not limited to electrical, mechanical, control and display, and structural components.

There are two general types of vehicle modifications:

**Low-Tech vehicle modifications** may require (but are not limited to) the following adaptive equipment or modifications:
1. raised tops and/or doors;
2. mechanical hand controls and steering devices;
3. six-way power transfer seats;
4. car top carriers; and
5. Wheelchair lifters/loader.

**High-Tech vehicle modifications** may require (but are not limited to) the following components to allow the customer to safely operate or occupy a motor vehicle:
1. remote steering packages;
2. lowered floor conversions;
3. foot steering;
4. low-effort conversions;
5. horizontal steering; and
6. braking and throttle servo controls.

Low-tech and high-tech modifications are described in [441.00P Vehicle Modification Policy & Procedure](#).

ACCES-VR will not purchase vehicles. ACCES-VR recommends that customers purchase vehicles from a Franchise dealer or from a dealer who provides a Monroney Label, a reproduction of the original factory window sticker that may be used to avoid inaccurately described factory options on the vehicle. U.S. law requires a window sticker, known as a Monroney Label to be displayed on all new vehicles. These stickers contain mandatory information about the vehicle, including what the vehicle cost when new with the correct factory option packages and the correct factory color. Vehicle modifications, adaptive equipment and automotive equipment for a vehicle may also be provided for a customer who owns or has the use of an appropriate vehicle, as
determined by ACCES-VR. For ACCES-VR to provide this service, the customer must require vehicle modification services to drive or to ride as a passenger to meet the employment goal in their IPE.

**Purchase of a vehicle by the customer that is different than the make and model agreed upon with ACCES-VR may delay or prevent provision of vehicle modification services.** ACCES-VR will only modify the base model of the vehicle- the one that is the least expensive available that is capable of accepting the modifications and adaptive equipment required. ACCES-VR will not purchase standard equipment included on the base model. It is the responsibility of the customer to purchase a vehicle that includes the specifically required automobile equipment per the bid specifications, while ACCES-VR authorizes the vehicle modifications. ACCES-VR may consider manufacturer packages above the base model ONLY when ACCES-VR determines it is a cost-effective means of obtaining what the customer requires to drive or to ride as a passenger safely.

**Vehicle Modification/ Mini-Bid Process**

The following summary is intended to outline the major steps and roles in the vehicle modification procurement process. The sequence of steps may vary slightly depending on the customer's need.

**Evaluation Process**

1. The ACCES-VR counselor and the customer discuss the transportation needs of the driver/passenger and vehicle availability.

2. ACCES-VR authorizes a customer evaluation from a Driver Rehabilitation Specialist (DRS) before proceeding with any customer’s vehicle modification service. The Vehicle Modification and Equipment Recommendation Report (VMERR) provides details about the customer's specific disability-related modifications and scope of work required.

3. An ACCES-VR representative or vendor meets with the customer to conduct either a low-technology or high-technology initial assessment. The ACCES-VR representative or vendor will assist the customer to identify the appropriate make, model, and year of vehicle to be modified. If the customer already owns a vehicle, a determination will be made by the ACCES-VR representative or vendor as to whether that vehicle can be modified to meet the customer's needs. The ACCES-VR representative or vendor makes sure that the findings of the VMERR meet the ACCES-VR Standards for Automotive Adaptive Equipment. The ACCES-VR representative or vendor drafts the Vehicle Modification Request for Bid Detail Specifications, which provides details regarding the modification and is used to solicit bids.
Mini-Bid Process

1. The ACCES-VR representative or vendor develops bid specifications for the vehicle modification and provides this information to the ACCES-VR District Office (DO) counselor. The DO Business Office Manager will request bids for all modifications. Bids will be solicited from the five Vehicle Modifiers capable of performing the modification that are in closest proximity to the customer, or from Vehicle Modifiers within 100 miles of the customer, whichever is greater. Vehicle Modifiers are normally given 3 weeks to return their sealed bids. More complex modifications may allow 4 weeks.

2. The DO Business Office Manager conducts the bid opening at the ACCES-VR District Office. Vehicle Modifiers that have bid are permitted to attend the bid opening. The DO Business Office Manager submits all bids to the ACCES-VR representative or vendor, who reviews the bids for responsiveness to specifications and identifies the lowest responsive bid.

3. The DO Business Office Manager sends an email to all Vehicle Modifiers that were solicited for bids to notify them of the bid opening results, identifying each responding Vehicle Modifier and the total amount of their bid. If fewer than three qualified bids are received, the ACCES-VR DO will contact the Vehicle Modifiers that didn’t bid to determine the reason for not submitting a bid.

4. For awards under $15,000, the DO is able to authorize for services immediately. Awards of $15,000 or more are to be sent to Fiscal and Administrative Services Team (FAST) at Central Office for approval. Awards of $50,000 or more require additional approval from the Office of the State Comptroller. Once all required approvals are received, the VR counselor will issue the VR-301 Authorization (Attachment 1).

Modification Process

1. The Vehicle Modifier arranges the initial fitting with the customer at the Vehicle Modifier’s site in most cases but occasionally the Vehicle Modifier goes to the customer’s residence.

2. The Vehicle Modifier can bill for the purchase of parts prior to the completion of the modification. Labor can never be paid prior to project completion, inspection and acceptance by the ACCES-VR representative or vendor.

3. The ACCES-VR representative or vendor monitors the progress of the modifications and addresses any technical issues that may arise and consults with the VR counselor as necessary.

4. The ACCES-VR representative or vendor conducts the final review, which includes the vehicle modification inspection and performance assessment. A deficiency report is issued when a vehicle does not pass inspection; the vehicle is not released. Vehicle Modifiers will correct any deficiencies at no additional cost to
their original bid. When the vehicle inspection is passed, the vehicle is released to the customer.

5. When the final review is satisfactory and the customer’s vehicle has been released, the Vehicle Modifier submits the original final voucher and invoices to ACCES-VR. Once the Receipt/Performance Assessment Report is signed by the customer and the ACCES-VR representative or vendor, then the DO Business Office Manager sends the documents to the Fiscal and Administrative Services Team and payment can be processed.

Vehicle Modifier Responsibility

1. All Vehicle Modifiers with a contract issued pursuant to this IFB will be issued mini-bid solicitations as summarized in the Mini-Bid Process section above. Individual project bids may only include adaptive equipment the Vehicle Modifier is certified by the adaptive equipment manufacturer to maintain and/or install and must break down equipment and labor costs for each item bid.

2. Vehicle Modifiers must provide complete manufacturers name and model number that can be matched with manufacturers offering through their promotional material. Custom, shop-built modification for a specific line item, (typically mechanical extensions) must briefly describe the method and material. Individual project bids specifying the manufacturer only and no model number or description may delay administrative bid reviews and may be determined to be incomplete or unresponsive.

3. NO modification work may start without an authorization provided by ACCES-VR, even if the Office of the State Comptroller has provided approval.

4. Vehicle Modifiers must adhere to the modifications as listed on the contract; no additions can be made to the contract after it has been awarded.

5. Vehicle Modifiers may subcontract certain aspects of the modification (to lower a floor, install a Scott servo system, welding, 4-wheel drive conversion, etc.) with the prior approval of ACCESS VR and in conformity to its certification. The Vehicle Modifier under contract is the prime contractor and is responsible for all the work required. The Vehicle Modifier is fully responsible for the acts or omissions of the subcontractor. All subcontractors on a vehicle modification must receive the prior approval of ACCES-VR.

6. Vehicle Modifiers must be knowledgeable and apply all appropriate standards and regulations when completing vehicle modifications, including but not limited to:
   a. ACCES-VR’s Standards for Automotive Adaptive Equipment (most current version)
b. Federal Motor Vehicle Safety Standards (FMVSS)
c. American National Standards Institute (ANSI)/ Rehabilitative  
  Engineering of North America Society (RESNA)
d. Society of Automotive Engineers (SAE)

7. Warranty Information - The Vehicle Modifier will only use new adaptive  
equipment that is warrantied in writing by the manufacturer. The Vehicle Modifier  
must warranty the installation of adaptive equipment for a period of one-year.  
This warranty includes the cost of parts, labor, and transport of the vehicle  
(pickup and delivery). In cases of equipment failure, ACCES-VR will work with  
the Vehicle Modifier to determine if the failure was due to faulty parts or  
faulty installation. At no time will the customer be responsible for the cost of any  
parts, labor, or transport during the warranty period. The Vehicle Modifier is  
responsible for sending in all warranties for all customers and will send copies to  
customers where applicable.

8. It is expected that Vehicle Modifiers will provide warranty work on vehicles they  
may not have modified but are certified to maintain the adaptive equipment  
installed, as per reciprocity agreements.

9. Rebates - Most major automobile manufacturers have a rebate program that  
reimburses a portion of modification equipment cost. The customer must apply  
for rebates and assign rebates to ACCES-VR to offset the cost of the  
modification. Rebates may not be applied to the purchase price of the vehicle.

10. Insurance - Vehicle Modifiers must carry insurance in an amount not less than  
$1,000,000.00, to cover any liabilities incurred in connection with modifications  
and related services provided to ACCES-VR customers. The insurance liability  
coverage will include: Completed Operations, General Liability, Garage Keepers  
Liability, and Garage Keepers Legal Liability. The contractor is prohibited from  
using the customer’s vehicle for any purpose unrelated to the modification of that  
vehicle. The policy must cover bodily injury and property damage at a minimum.  
The policy must name NYSED as an additional insured. The policy must provide  
that NYSED receive a minimum of thirty days prior notice of cancellation. Proof of  
insurance must be provided with the bid submission. The bidder shall provide  
evidence of such insurance annually to NYSED. The bidder must also carry  
Worker’s Compensation Insurance and Disability Benefits Insurance on  
its employees.

Requirements of Education Law Section 2-d

The Contractor agrees to comply with Family Educational Rights and Privacy Act  
(FERPA) and New York State Education Law § 2-d. The NYS Education Department  
(NYSED) is required to ensure that all contracts with a third-party contractor that receives
PII include a Data Privacy and Security Plan, pursuant to Education Law § 2-d and § 121.6 of the Regulations of the Commissioner of Education. For every contract, the Contractor must complete the following or provide a plan that materially addresses its requirements, including alignment with the NIST Cybersecurity Framework, which is the standard for educational agency data privacy and security policies in New York state.

Pursuant to Education Law § 2-d and § 121.3 of the Regulations of the Commissioner of Education, the NYS Education Department ("NYSED") is required to post information to its website about its contracts with third-party contractors that will receive Student PII and/or Teacher and/or Principal APPR data ("APPR Data"), collectively referred to as PII.

The New York State Education Department’s Data Privacy Appendix (Appendix R) is annexed to this IFB, the terms of which are incorporated herein by reference, and shall also be part of the Contract.

Bidders should use the templates and instructions in Appendix R to submit the required DPA EXHIBIT 1 - Contractor’s Data Privacy and Security Plan and return it with their bid for review.

**Accessibility of Web-Based Information and Applications**

Any documents, web-based information and applications development, or programming delivered pursuant to the contract or procurement, will comply with New York State Education Department IT Policy NYSED-WEBACC-001, Web Accessibility Policy as such policy may be amended, modified or superseded, which requires that state agency web-based information, including documents, and applications are accessible to persons with disabilities. Documents, web-based information and applications must conform to NYSED-WEBACC-001 as determined by quality assurance testing. Such quality assurance testing will be conducted by NYSED employee or contractor and the results of such testing must be satisfactory to NYSED before web-based information and applications will be considered a qualified deliverable under the contract or procurement.

**Subcontracting**

Subcontracting is defined as non-employee direct personal services and related incidental expenses, including travel. Reimbursement for travel is not permitted for services performed under the contract resulting from this IFB. Subcontractors need to be properly certified as required by manufacturers.

For vendors using subcontractors, a Vendor Responsibility Questionnaire and a NYSED vendor responsibility review are required for a subcontractor when:

- the subcontractor is known at the time of the contract award;
- the subcontractor is not an entity that is exempt from reporting by OSC; and
The subcontract will equal or exceed $100,000 over the life of the contract.

For additional information about Vendor Responsibility, see the Vendor Responsibility section contained in 3.) Evaluation Criteria and Method of Award section of this IFB.

If the vendor proposes to change subcontractors during the contract period, NYSED must be notified prior to the change. NYSED reserves the right to reject any replacement subcontractors proposed by the vendor and reserves the right to approve all changes in subcontractors.

**Staff Changes**

The contractor will maintain continuity of staff throughout the course of the contract. All changes in staff will be subject to NYSED approval. The replacement staff with comparable skills will be provided at the same or lower hourly rate.

**Contract Period**

NYSED will award multiple contracts pursuant to this IFB. The contracts resulting from this IFB will be for a term anticipated to begin May 1, 2024, and to end April 30, 2029. This is a periodic recruitment contract. Vendors can be added with the approval of the Office of the State Comptroller. Once a year minimally, an ad will be placed in the New York State Contract Reporter to publicly notify vendors of a potential contract opportunity. Additional Vehicle Modification contracts will have a termination date of April 30, 2029.

**Electronic Processing of Payments**

In accordance with a directive dated January 22, 2010, by the Director of State Operations - Office of Taxpayer Accountability, all state agency contracts, grants, and purchase orders executed after February 28, 2010, shall contain a provision requiring that contractors and grantees accept electronic payments.
2.) Submission

Documents to be submitted with the bid

This section details the submission document or documents that are expected to be transmitted by the respondent to the State Education Department in response to this IFB. The New York State Education Department shall own all materials, processes, and products (software, code, documentation and other written materials) developed under this contract. Materials prepared under this contract shall be in a form that will be ready for copyright in the name of the New York State Education Department. Any subcontractor is also bound by these terms. The submission will become the basis on which NYSED will judge the respondent’s ability to perform the required services as laid out in the IFB.

Project Submission

The bid submitted in response to this IFB must include the following documents submitted by email to cau@nysed.gov in Microsoft Office or editable PDF per the electronic submission procedures outlined above, preferably with all documents attached as the fewest number of files:

1. Submission Documents bearing signatures

The bid must be received by February 28, 2024, by 3:00 PM by email to cau@nysed.gov. Bids should be prepared simply and economically, avoiding the use of elaborate promotional materials beyond those sufficient to provide complete presentation. If supplemental materials are a necessary part of the proposal, the bidder should reference these materials, identifying the document(s) and citing the appropriate section and page(s) to be reviewed.

Bidders should limit aspects that are to be determined only after the award of a contract. No optional deliverables to be provided at an additional cost should be included and will not be considered. Contractual terms, conditions and assumptions are inappropriate for inclusion in the bid.

Any proprietary material considered confidential by the bidder will specifically be so identified, and the basis for such confidentiality will be specifically set forth in the proposal by submitting the form “Request for Exemption from Disclosure Pursuant to the Freedom of Information Law,” located in 5.) Submission Documents.
3.) **Evaluation Criteria and Method of Award**

This section begins with the criteria the agency will use to evaluate bids and closes with the “method of award,” or how the contractor(s) will be selected. This will be followed by various terms and conditions that reflect the specific needs of this project as well as New York State contract guidelines and requirements.

**Criteria for Evaluating Bids**

All eligible bids received by the deadline will be reviewed using the following criteria. Applicants must ensure that all components of this application request have been addressed, the required number of copies has been provided, all forms and assurances have been completed, and the original signatures are included as required.

An evaluation committee will complete a review of all bids submitted. The committee will review each bid for compliance with the requirements of the IFB. Bidders should not assume that committee review members will have any previous experience with the bidder. Appropriate description should be included to inform committee members about the bidder’s qualifications and capacity to perform all required deliverables.

NYSED retains the right to determine whether any deviation from the requirements of this IFB is substantial in nature and may reject in whole or in part any and all proposals, waive minor irregularities and conduct discussions with all responsible bidders.

**Method of Award**

All eligible qualifying applicants that are responsive and responsible will receive a contract.

NYSED reserves the right to reject all bids received or cancel this IFB if it is deemed in the best interest of the State.

Eligible qualifying applicants who have completed a high-tech modification in the 2019-2024 contract cycle will receive an estimated $1,500,000 initial contract. Remaining funds, less any reserved funds, will be distributed equally among all other eligible qualifying applicants. Based on available funding, other eligible qualifying applicants are estimated to receive a $300,000 initial contract, but this amount could increase or decrease based on the number of eligible bidders and available funding.

When awarded, estimated contract values do not guarantee a minimum funding amount and are not a guarantee of a specific number of referrals by ACCES-VR. Payments are contingent on successful bidding and completion of work. ACCES-VR may amend the contracts of Vehicle Modifiers to increase or decrease estimated contract values as necessary at any time within the contract period. A reserve of funding will be set aside for this purpose.
NYSED’s Reservation of Rights

NYSED reserves the right to: (1) reject any or all proposals received in response to the IFB; (2) withdraw the IFB at any time, at the agency’s sole discretion; (3) make an award under the IFB in whole or in part; (4) disqualify any bidder whose conduct and/or proposal fails to conform to the requirements of the IFB; (5) seek clarifications of proposals; (6) use proposal information obtained through site visits, management interviews and the state’s investigation of a bidder’s qualifications, experience, ability or financial standing, and any material or information submitted by the bidder in response to the agency’s request for clarifying information in the course of evaluation and/or selection under the IFB; (7) prior to the bid opening, amend the IFB specifications to correct errors or oversights, or to supply additional information, as it becomes available; (8) prior to the bid opening, direct bidders to submit proposal modifications addressing subsequent IFB amendments; (9) change any of the scheduled dates; (10) waive any requirements that are not material; (11) negotiate with the successful bidder within the scope of the IFB in the best interests of the state; (12) conduct contract negotiations with the next responsible bidder, should the agency be unsuccessful in negotiating with the selected bidder; (13) utilize any and all ideas submitted in the proposals received; (14) unless otherwise specified in the solicitation, every offer is firm and not revocable for a period of 90 days from the bid opening; (15) require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of an offerer’s proposal and/or to determine an offerer’s compliance with the requirements of the solicitation.

Post Selection Procedures

Upon selection, the successful bidder will receive a proposed contract from NYSED. The contents of this IFB, any subsequent correspondence during the proposal evaluation period, and such other stipulations as agreed upon may be made a part of the final contract prepared by NYSED. Successful bidders may be subject to audit and should ensure that adequate controls are in place to document the allowable activities and expenditure of State funds.

Debriefing Procedures

In accordance with section 163 of the NY State Finance Law, NYSED, upon request, must provide a debriefing to any unsuccessful bidder regarding the reasons their proposal was not selected for an award.

1. All unsuccessful bidders may request a debriefing within fifteen (15) calendar days of receiving notice from NYSED of non-award. Bidders may request a debriefing by submitting a written request to the Fiscal Contact person at IFB24-002@nysed.gov.
2. Upon receipt of a timely written request from the unsuccessful bidder, NYSED will schedule the debriefing to occur within a reasonable time following receipt of the request. Debriefings will be conducted in person, unless NYSED and the bidder mutually agree to utilize other means, including but not limited to telephone, video-conferencing or other types of electronic communication.

3. The debriefing will include: a) the reasons that the proposal submitted by the unsuccessful bidder was not selected for an award; b) the qualitative and quantitative analysis employed by NYSED in assessing the relative merits of the proposals; c) the application of the selection criteria to the unsuccessful bidder’s proposal; and d) when the debriefing is held after the final award, the reasons for the selection of the winning proposal. The debriefing will also provide, to the greatest extent practicable, general advice and guidance to the unsuccessful bidder concerning potential ways that their future proposals could be more responsive.

Contract Award Protest Procedures

Bidders who receive a notice of non-award or disqualification may protest the NYSED award decision subject to the following:

1. The protest must be in writing and must contain specific factual and/or legal allegations setting forth the basis on which the protesting party challenges the contract award by NYSED.

2. The protest must be filed within ten (10) business days of receipt of a debriefing or disqualification letter. The protest letter must be filed with the Contract Administration Unit by emailing: IFB24-002@nysed.gov.

3. The NYSED Contract Administration Unit (CAU) will convene a review team that will include at least one staff member from each of NYSED’s Office of Counsel, CAU, and the Program Office. The review team will review and consider the merits of the protest and will decide whether the protest is approved or denied. Counsel’s Office will provide the bidder with written notification of the review team’s decision within ten (10) business days of the receipt of the protest. The original protest and decision will be filed with OSC when the contract procurement record is submitted for approval and CAU will advise OSC that a protest was filed.

4. The NYSED Contract Administration Unit (CAU) may summarily deny a protest that fails to contain specific factual or legal allegations, or where the protest only raises issues of law that have already been decided by the courts.
Vendor Responsibility

State law requires that the award of state contracts be made to responsible vendors. Before an award is made to a not-for-profit entity, a for-profit entity, a private college or university or a public entity not exempted by the Office of the State Comptroller, NYSED must make an affirmative responsibility determination. The factors to be considered include legal authority to do business in New York State; integrity; capacity – both organizational and financial; and previous performance. Before an award of $100,000 or greater can be made to a covered entity, the entity will be required to complete and submit a Vendor Responsibility Questionnaire. School districts, Charter Schools, BOCES, public colleges and universities, public libraries, and the Research Foundation for SUNY and CUNY are some of the exempt entities. A complete list of exempt entities can be viewed at the Office of the State Comptroller’s website.

NYSED recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the VendRep System Instructions or go directly to the VendRep System on the Office of the State Comptroller's website.

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the Office of the State Comptroller’s Help Desk at 866-370-4672 or 518-408-4672 or by email at ITServiceDesk@osc.ny.gov.

Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website or may contact NYSED or the Office of the State Comptroller’s Help Desk for a copy of the paper form.

Subcontractors:

For vendors using subcontractors, a Vendor Responsibility Questionnaire and a NYSED vendor responsibility review are required for a subcontractor where:

- the subcontractor is known at the time of the contract award;
- the subcontractor is not an entity that is exempt from reporting by OSC; and
- the subcontract will equal or exceed $100,000 over the life of the contract.

Note: Bidders must acknowledge their method of filing their questionnaire by checking the appropriate box on the Response Sheet for Bids (5. Submission Documents).

Procurement Lobbying Law
Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between the New York State Education Department (“NYSED”) and an Offerer/bidder during the procurement process. An Offerer/bidder is restricted from making contacts from the earliest notice of the solicitation through final award and approval of the Procurement Contract by NYSED and, if applicable, Office of the State Comptroller (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). Designated staff, as of the date hereof, is identified below. NYSED employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the Offerer/bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found at NYSED's Procurement Lobbying Law Policy Guidelines webpage.

**Consultant Disclosure Legislation**

Effective June 19, 2006, new reporting requirements became effective for State contractors, as the result of an amendment to State Finance Law §§ 8 and 163. As a result of these changes in law, State contractors will be required to disclose, by employment category, the number of persons employed to provide services under a contract for consulting services, the number of hours worked, and the amount paid to the contractor by the State as compensation for work performed by these employees. This will include information on any persons working under any subcontracts with the State contractor.

Chapter 10 of the Laws of 2006 expands the definition of contracts for consulting services to include any contract entered into by a State agency for analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal, or similar services.

To enable compliance with the law, State agencies must include in the Procurement Record submitted to OSC for new consultant contracts, the State Consultant Services Contractor’s Planned Employment from Contract Start Date Through the End of the Contract Term (Form A). The completed form must include information for all employees providing service under the contract whether employed by the contractor or a subcontractor. Please note that the form captures the necessary planned employment
information **prospectively from the start date of the contract through the end of the contract term.**

**Form A** is available on OSC’s website.

Please note that although this form is not required as part of the bid submission, NYSED encourages bidders to include it in their bid submission to expedite contract execution if the bidder is awarded the contract. Note also that only the form listed above is acceptable.

Chapter 10 of the Laws of 2006 mandates that State agencies must now require State contractors to **report annually** on the employment information described above, including work performed by subcontractors. The legislation mandates that the annual employment reports are to be submitted by the contractor to the contracting agency, to OSC and to the Department of Civil Service. State Consultant Services Contractor’s Annual Employment Report (Form B) is to be used to report the information for all procurement contracts above $15,000. Please note that, in contrast to the information to be included on Form A, which is a one-time report of planned employment data for the entire term of a consulting contract on a projected basis, **Form B will be submitted each year the contract is in effect and will capture historical information, detailing actual employment data for the most recently concluded State fiscal year (April 1 – March 31).**

**Form B** is available on OSC’s website.

For more information, please visit **OSC Guide to Financial Operations.**

**Public Officer’s Law Section 73**

All bidders must comply with Public Officer’s Law Section 73 (4)(a), as follows:

4. (a) No statewide elected official, state officer or employee, member of the legislature, legislative employee or political party chairman or firm or association of which such person is a member, or corporation, ten per centum or more of the stock of which is owned or controlled directly or indirectly by such person, shall (i) sell any goods or services having a value in excess of twenty-five dollars to any state agency, or (ii) contract for or provide such goods or services with or to any private entity where the power to contract, appoint or retain on behalf of such private entity is exercised, directly or indirectly, by a state agency or officer thereof, unless such goods or services are provided pursuant to an award or contract let after public notice and competitive bidding. This paragraph shall not apply to the publication of resolutions, advertisements or other legal propositions or notices in newspapers designated pursuant to law for such purpose and for which the rates are fixed pursuant to law.
(i) The term "state officer or employee" shall mean:

   (i) heads of state departments and their deputies and assistants other than members of the board of regents of the university of the state of New York who receive no compensation or are compensated on a per diem basis;
   (ii) officers and employees of statewide elected officials;
   (iii) officers and employees of state departments, boards, bureaus, divisions, commissions, councils or other state agencies other than officers of such boards, commissions or councils who receive no compensation or are compensated on a per diem basis; and
   (iv) members or directors of public authorities, other than multistate authorities, public benefit corporations and commissions at least one of whose members is appointed by the governor, who receive compensation other than on a per diem basis, and employees of such authorities, corporations and commissions.

NYSED Substitute Form W-9

Any payee/vendor/organization receiving Federal and/or State payments from NYSED must complete the NYSED Substitute Form W-9 if they are not yet registered in the Statewide Financial System centralized vendor file.

The NYS Education Department (NYSED) is using the NYSED Substitute Form W-9 to obtain certification of a vendor’s Tax Identification Number in order to facilitate a vendor’s registration with the SFS centralized vendor file and to ensure accuracy of information contained therein. We ask for the information on the NYSED Substitute Form W-9 to carry out the Internal Revenue laws of the United States.

Workers’ Compensation Coverage and Debarment

New York State Workers’ Compensation Law (WCL) has specific coverage requirements for businesses contracting with New York State and additional requirements which provide for the debarment of vendors that violate certain sections of WCL. The WCL requires and has required since introduction of the law in 1922, the heads of all municipal and State entities to ensure that businesses have appropriate workers’ compensation and disability benefits insurance coverage prior to issuing any permits or licenses, or prior to entering into contracts.

Workers’ compensation requirements are covered by WCL Section 57, while disability benefits are covered by WCL Section 220(8). The Workers' Compensation Benefits clause in Appendix A – STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS states that in accordance with Section 142 of the State Finance Law, a contract shall be void and of no force and effect unless the contractor provides and
maintains coverage during the life of the contract for the benefit of such employees as are required to be covered by the provisions of the WCL.

Under provisions of the 2007 Workers’ Compensation Reform Legislation (WCL Section 141-b), any person, or entity substantially owned by that person: subject to a final assessment of civil fines or penalties, subject to a stop-work order, or convicted of a misdemeanor for violation of Workers’ Compensation laws Section 52 or 131, is barred from bidding on, or being awarded, any public work contract or subcontract with the State, any municipal corporation or public body for one year for each violation. The ban is five years for each felony conviction.

PROOF OF COVERAGE REQUIREMENTS

The Workers’ Compensation Board has developed several forms to assist State contracting entities in ensuring that businesses have the appropriate workers’ compensation and disability insurance coverage as required by Sections 57 and 220(8) of the WCL.

*Please note – an ACORD form is not acceptable proof of New York State workers’ compensation or disability benefits insurance coverage.*

Proof of Workers’ Compensation Coverage

To comply with coverage provisions of the WCL, the Workers’ Compensation Board requires that a business seeking to enter into a State contract submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate workers’ compensation insurance coverage:

- **Form C-105.2** – Certificate of Workers’ Compensation Insurance issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund; or
- **Form SI-12** – Certificate of Workers’ Compensation Self-Insurance; or **Form GSI-105.2** Certificate of Participation in Workers’ Compensation Group Self-Insurance; or
- **CE-200** – Certificate of Attestation of Exemption from NYS Workers’ Compensation and/or Disability Benefits Coverage.

Proof of Disability Benefits Coverage

To comply with coverage provisions of the WCL regarding disability benefits, the Workers’ Compensation Board requires that a business seeking to enter into a State contract must submit appropriate proof of coverage to the State contracting entity
issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate disability benefits insurance coverage:

- **Form DB-120.1** - Certificate of Disability Benefits Insurance; or
- **Form DB-155** - Certificate of Disability Benefits Self-Insurance; or
- **CE-200** – Certificate of Attestation of Exemption from New York State Workers’ Compensation and/or Disability Benefits Coverage.

For additional information regarding workers’ compensation and disability benefits requirements, please refer to the [New York State Workers’ Compensation Board website](http://www.nyc.gov). Alternatively, questions relating to either workers’ compensation or disability benefits coverage should be directed to the NYS Workers’ Compensation Board, Bureau of Compliance at (518) 486-6307.

Please note that although these forms are not required as part of the bid submissions, NYSED encourages bidders to include them in their bid submission to expedite contract execution if the bidder is awarded the contract. Note also that only the forms listed above are acceptable.

**Sales and Compensating Use Tax Certification (Tax Law, § 5-a)**

Tax Law § 5-a requires contractors awarded State contracts for commodities or services valued at more than $100,000 over the full term of the contract to certify to the New York State Department of Taxation and Finance (“DTF”) that they are registered to collect New York State and local sales and compensating use taxes, if they made sales delivered by any means to locations within New York State of tangible personal property or taxable services having a cumulative value in excess of $300,000, measured over a specific period of time. The registration requirement applies if the contractor made a cumulative total of more than $300,000 in sales during the four completed sales tax quarters which immediately precede the sales tax quarter in with the certification is made. Sales tax quarters are June – August, September – November, December – February, and March – May. In addition, contractors must certify to DTF that each affiliate and subcontractor of such contractor exceeding such sales threshold during a specified period is registered to collect New York State and local sales and compensating use taxes. Contractors must also certify to the procuring State entity that they filed the certification with the DTF and that it is correct and complete.

The selected bidder must file a properly completed Form ST-220-CA (with NYSED as the Contracting Agency) and Form ST-220-TD (with the DTF). These requirements must be met before a contract may take effect. Further information can be found at the [New York State Department of Taxation and Finance’s website](http://www.nysbudget.gov). Forms are available through these links:

- **ST-220 CA**
IFB 24-002

- **ST-220 TD**

Please note that although these forms are not required as part of the bid submissions, NYSED encourages bidders to include them with their bid submissions to expedite contract execution if the bidder is awarded the contract.
4.) **Assurances**

The State of New York Agreement, Appendix A (Standard Clauses for all New York State Contracts), Appendix A-1 (Agency-Specific Clauses), and Appendix R (Data Security and Privacy Plan Provisions) **WILL BE INCLUDED** in the contract that results from this IFB. Vendors who are unable to complete or abide by these assurances should not respond to this request.

WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement (The attached Appendix X is the blank form to be used). Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, or change in the

III. Terminations

A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the CONTRACTOR.

F. The STATE shall be responsible for payment on claims pursuant to services provided and costs incurred pursuant to terms of the AGREEMENT. In no event shall the STATE be liable for expenses and obligations arising from the program(s) in this AGREEMENT after the termination date.

IV. Indemnification

A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.

B. The CONTRACTOR is an independent contractor and may neither hold itself out nor claim to be an officer, employee or subdivision of the STATE nor make any claim, demand or application to or for any right based upon any different status.

V. Property

Any equipment, furniture, supplies or other property purchased pursuant to this AGREEMENT is deemed to be the property of the STATE except as may otherwise be governed by Federal or State laws, rules or regulations, or as stated in Appendix A1.

B. Funds provided pursuant to this AGREEMENT shall not be used for any partisan political activity, or for activities that may influence legislation or the election or defeat of any candidate for public office.

C. Information relating to individuals who may receive services pursuant to this AGREEMENT shall be maintained and used only for the purposes intended under the contract and in conformity with applicable provisions of laws and regulations, or specified in Appendix A1.
Appendix A
STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or
other agreement of any kind (hereinafter, "the contract" or "this
contract") agree to be bound by the following clauses which are
hereby made a part of the contract (the word "Contractor" herein
refers to any party other than the State, whether a contractor,
licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of
the State Finance Law, the State shall have no liability under this
contract to the Contractor or to anyone else beyond funds appro-
priated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section
138 of the State Finance Law, this contract may not be assigned
by the Contractor or its right, title or interest therein assigned,
transferred, conveyed, sublet or otherwise disposed of without the
State’s previous written consent, and attempts to do so are null and
void. Notwithstanding the foregoing, such prior written consent
of an assignment of a contract let pursuant to Article XI of the
State Finance Law may be waived at the discretion of the
contracting agency and with the concurrence of the State
Comptroller where the original contract was subject to the State
Comptroller’s approval, where the assignment is due to a
reorganization, merger or consolidation of the Contractor’s
business entity or enterprise. The State retains its right to approve
an assignment and to require that any Contractor demonstrate its
responsibility to do business with the State. The Contractor may,
however, assign its right to receive payments without the State’s
prior written consent unless this contract concerns Certificates of
Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER’S APPROVAL. In accordance with
Section 112 of the State Finance Law, if this contract exceeds
$50,000 (or $75,000 for State University of New York or City
University of New York contracts for goods, services, construction
and printing, and $150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed $85,000. Comptroller’s approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed $125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds $200,000.

4. WORKERS’ COMPENSATION BENEFITS. In accordance
with Section 142 of the State Finance Law, this contract shall be void
and of no force and effect unless the Contractor shall provide and
maintain coverage during the life of this contract for the
benefit of such employees as are required to be covered by the
provisions of the Workers’ Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the
extent required by Article 15 of the Executive Law (also known as
the Human Rights Law) and all other State and Federal statutory
and constitutional non-discrimination provisions, the Contractor
will not discriminate against any employee or applicant for
employment, nor subject any individual to harassment, because of
age, race, creed, color, national origin, citizenship or immigration
status, sexual orientation, gender identity or expression, military
status, sex, disability, predisposing genetic characteristics,
familial status, marital status, or domestic violence victim status
or because the individual has opposed any practices forbidden
under the Human Rights Law or has filed a complaint, testified, or
assisted in any proceeding under the Human Rights Law.
Furthermore, in accordance with Section 220-e of the Labor Law,
if this is a contract for the construction, alteration or repair of any
public building or public work or for the manufacture, sale or
distribution of materials, equipment or supplies, and to the extent
that this contract shall be performed within the State of New York,
Contractor agrees that neither it nor its subcontractors shall, by
reason of race, creed, color, disability, sex, or national origin:
(a) discriminate in hiring against any New York State citizen who is
qualified and available to perform the work; or (b) discriminate
against or intimidate any employee hired for the performance of
work under this contract. If this is a building service contract as
defined in Section 230 of the Labor Law, then, in accordance with
Section 239 thereof, Contractor agrees that neither it nor its
subcontractors shall by reason of race, creed, color, national
origin, age, sex or disability: (a) discriminate in hiring against any
New York State citizen who is qualified and available to perform
the work; or (b) discriminate against or intimidate any employee
hired for the performance of work under this contract. Contractor
is subject to fines of $50.00 per person per day for any violation
of Section 220-e or Section 239 as well as possible termination of
this contract and forfeiture of all moneys due hereunder for a
second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work
contract covered by Article 8 of the Labor Law or a building
service contract covered by Article 9 thereof, neither Contractor’s
employees nor the employees of its subcontractors may be
required or permitted to work more than the number of hours or
days stated in said statutes, except as otherwise provided in the
Labor Law and as set forth in prevailing wage and supplement
schedules issued by the State Labor Department. Furthermore,
Contractor and its subcontractors must pay at least the prevailing
wage rate and pay or provide the prevailing supplements,
including the premium rates for overtime pay, as determined by
the State Labor Department in accordance with the Labor Law.
Additionally, effective April 28, 2008, if this is a public work
contract covered by Article 8 of the Labor Law, the Contractor
understands and agrees that the filing of payroll statements
consistent with Subdivision 3-a of Section 220 of the Labor Law
shall be a condition precedent to payment by the State of any State
approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance
with Section 139-d of the State Finance Law, if this contract
was awarded based upon the submission of bids, Contractor
affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting
competition. Contractor further affirms that, at the time
Contractor submitted its bid, an authorized and responsible person
executed and delivered to the State a non-collusive bidding certification on Contractor’s behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract’s execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State’s option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the “Records”). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from copying. Nothing contained herein shall diminish, or in any way adversely affect, the State’s right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee’s identification number. The number is any or all of the following: (i) the payee’s Federal employer identification number, (ii) the payee’s Federal social security number, and/or (iii) the payee’s Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and other who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of $25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of $100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of $100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor’s equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State
contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor’s obligations herein; and
