## Permission to Use Photograph, Audio, or Written Description or Account in a Publication (for Minor)

I, \_\_\_\_\_, individually, and as a parent or guardian of \_\_\_\_\_, a minor, authorize the New York State Board of Regents and the New York State Education Department (collectively "the Department") to take and/or use photographs, video, and/or any other visual/audio images of my child and/or me, including my child's or my name or likeness (the "Media"). The Media are any type of recording, including photographs, digital images, drawings, renderings, voices, sounds, video recordings, audio clips, accompanying written descriptions, and/or any other type of media now or hereafter known.

The Department may, without notifying me, use and/or authorize use of the Media and/or my name in any manner, in Department publications, including, but not limited to websites, social media, presentations, trainings, exhibitions, broadcasts, advertisements, posters, and/or other materials. The Department will utilize the Media for its own purpose and will not sell or distribute it to other agencies or businesses. I will receive no payment for use of the Media. Use of the Media will not constitute a violation of the Family Educational Rights Privacy Act (FERPA) or any other federal or State law relating to privacy. I waive any right to inspect or approve the finished images, prints, or any electronic matter that may be used with them. I agree that the Media and all other visual/audio images connected therewith are and shall remain the property of the Department. I release the Department, its employees, officers, trustees, administrators, successors, and assigns from any claims, damages, or liabilities which my child or I may ever have in connection with the taking of or use of the Media and/or my name. I have read this release before signing it. I understand its content and I freely accept its terms.
