Background

There is a growing body of evidence that supports the fact that peer services improve physical and behavioral health outcomes. -Many health management systems of care are investing in peer services. Evidence also exists in the field of rehabilitation demonstrating that peer involvement leads to enhanced community integration and employment outcomes. ACCES-VR has over 15 years of peer driven approaches to improved living, learning, and earning outcomes for youth with disabilities.

- Peers provide a unique and enhanced component of service delivery that promotes self-reliance, self-advocacy, self-image and self-determination. Peers are typically engaged in providing social and emotional support, facilitating linkages to community resources and teaching essential skills in navigating systems and in areas of self-management.
- Peers are role models motivating others to learn compensatory skills, understand disability as a civil rights concern, and overcome the devaluing impacts of lowered expectations, poverty and discrimination.

In June 2016, ACCES-VR piloted a peer approach in two District Offices to address barriers to employment. At the close of Year Two, the pilot offices served a total 731 individuals with disabilities which exceeded the original goal of 400. Underserved populations were well represented in this group with over 70 percent of the participants diagnosed with cognitive and/or mental health impairments and over 50 percent of the participants belonging to ethnic and racial minority groups. The pilot helped students graduate from high school and pursue post-secondary education and career options, as well as ensured people with disabilities had affordable and accessible housing. The interventions through the Peer Integration Pilot were key to helping participants navigate their way through various obstacles and fully participate in the vocational rehabilitation process. In 2019, the pilot was extended to three additional offices. At the close of Year Four, the five offices served a total 887 individuals with disabilities. By the end of Year Five, the offices are expected to exceed the goal of 1000 individuals served.

The success of the initial phases of the pilot has led to expanding the project to a total of ten District Offices. The intent of this RFP is to co-locate and integrate trained and qualified peer independent living specialists as members of the VR service delivery team in the District Offices. The project enlists support for and the time allocation of two Full Time Equivalency (FTE) Peer Independent Living Specialists for up to 3,640 hours at 1,820 per FTE in each of ten VR District Offices for a one-year period.

1. Staff Experience and Qualifications:

1. Qualified applicants must employ Peer Independent Living Specialists who are individuals with a disability as defined in the Americans with Disability Act (ADA) amendments of 2006;
2. The Peer IL Specialists must be trained in peer counseling and independent living history and philosophy;
3. The Peer IL Specialists must have demonstrated work experience in cross-disability peer service delivery with experience assisting participants in areas such as the following:
 - a. Self-advocacy/self-sufficiency;
 - b. Obtaining reasonable accommodations;
 - c. Understanding rights and responsibilities in employment as a person with a disability (PWD);
 - d. Transportation coordination;
 - e. Plan for achieving self-support (PASS) development;
 - f. Medicaid Buy In (MBI) application; and,
 - g. Health care self-management.
4. The Peer IL Specialists must have experience in the provision of, or coordination of, the provision of in-service group training in topics such as:
 - a. Benefits and rights under SSI/DI and Medicaid/Medicare programs;
 - b. Facilitated development of Individual Plan for Employment, in cooperation with ACCES-VR staff through career exploration activities;

The two Peer Independent Living Specialists must be employed full-time (12 full months) and work a minimum of 35 hours per week, exclusive of lunch and breaks. These FTE positions may be filled by up to four individuals serving part-time, provided that each individual must work at least half time (.5 FTE) on this funded project. The selection process for staff must include prior approval from a representative of NYSED, by review of resume and credentials, to ensure candidates meet minimum qualifications specified in the RFP.

This section details the submission document or documents that are expected to be transmitted by the respondent to the State Education Department in response to this RFP. New York State Education Department shall own all materials, processes, and products (software, code, documentation and other written materials) developed under this contract. Materials prepared under this contract shall be in a form that will be ready for copyright in the name of the New York State Education Department. Any subcontractor is also bound by these terms. The submission will become the basis on which NYSED will judge the respondent's ability to perform the required services as laid out in the RFP.

Project Submission

The proposal submitted in response to this RFP must include the following documents submitted by email to cau@nysed.gov in Microsoft Office or editable PDF per the electronic proposal submission procedures outlined above, preferably with each of the following sets of documents attached as a single file (i.e. one email with four attachments):

1. Submission Documents bearing signatures
2. Technical Proposal
3. Cost Proposal
4. M/WBE Documents bearing signatures

The proposal must be received by **April 30, 2024, by 3:00 PM** by email to cau@nysed.gov.

Proposals should be prepared simply and economically, avoiding the use of elaborate promotional materials beyond those sufficient to provide complete presentation. If supplemental materials are a necessary part of the proposal, the bidder should reference these materials in the technical proposal, identifying the document(s) and citing the appropriate section and page(s) to be reviewed.

The proposal must communicate an understanding of the deliverables of the RFP, describe how the tasks are to be performed and identify potential problems in the conduct of the deliverables and methods to identify and solve such problems.

Bidders should specify all details and dates required to evaluate the technical proposal and should limit aspects of the project plan that are to be determined only after the award of a contract. No optional deliverables to be provided only at an additional cost should be included and will not be considered in the evaluation of the technical proposal. Contractual terms, conditions and assumptions are inappropriate for inclusion in the proposal.

Any proprietary material considered confidential by the bidder will specifically be so identified, and the basis for such confidentiality will be specifically set forth in the proposal by submitting the form "Request for Exemption from Disclosure Pursuant to the Freedom of Information Law," located in 5) Submission Documents.

3.) Evaluation Criteria and Method of Award

This section begins with the criteria the agency will use to evaluate bids and closes with the “method of award,” or how the contractor will be selected. This will be followed by various terms and conditions that reflect the specific needs of this project as well as New York State contract guidelines and requirements.

Criteria for Evaluating Bids

All eligible proposals received by the deadline will be reviewed using the following criteria and ratings. Applicants must ensure that all components of this application request have been addressed, all forms and assurances have been completed, and the original signatures are included as required.

An evaluation committee will complete a review of all proposals submitted. The committee will review each proposal based upon the submitted proposal and the requirements of the RFP only. Bidders should not assume that committee review members will be familiar with the current program or have any previous experience with the bidder. Appropriate descriptions should be included to inform review committee members about the bidder’s qualifications and capacity to perform all required deliverables.

The committee will review each proposal to determine compliance with the requirements described in the RFP. NYSED retains the right to determine whether any deviation from the requirements of this RFP is substantial in nature and may reject in whole or in part any and all proposals, waive minor irregularities and conduct discussions with all responsible bidders.

Technical Criteria (70 Points)

The technical proposal comprised of 70 points is as follows:

Experience and Staffing – 28 points

A highly qualified vendor demonstrates strengths in areas including but not limited to Self-advocacy/self-sufficiency; obtaining reasonable accommodations; understanding rights and responsibilities in employment as a person with a disability (PWD); transportation coordination; Plan for Achieving Self-Support (PASS) development; Medicaid Buy In (MBI) application; and, health care self-management. However, the most highly qualified vendor must describe capacity to deliver a complement of group training by experts who are either Peer Independent Living Specialists or are working alongside Peer Independent Living Specialists. Describe how the vendor will deliver training in the following areas: (10 points)

Financial Criteria (30 Points)

The Financial Criteria portion of this RFP will be scored based upon the grand total for the 5-year budget summary.

RFP #24-016

The **financial portion** of the proposal represents 30 points of the overall score and will be awarded up to 30 points pursuant to a formula. This calculation will be computed by the Contract Administration Unit upon completion of the technical scoring by the technical review panel.

The submitted budget will be awarded points pursuant to a formula that awards the highest score of 30 points to the budget that reflects the lowest overall cost. The remaining budgets will be awarded points based on a calculation that computes the relative difference of each proposal against the lowest budget submitted. The resulting percentage is then applied to the maximum point value of 30 points.

NYSED reserves the right to request best and final offers. In the event NYSED exercises this right, all responsive bidders will be asked to provide a best and final offer. The Contract Administration Unit will recalculate the financial score.

Method of Award

The aggregate score of all the criteria listed will be calculated for each proposal received. NYSED will be awarding ten (10) contracts as a result of this RFP; one (1) in the Rochester District Office, one (1) in the White Plains District Office, one (1) in the Southern Tier (Elmira) District Office, one (1) in the Hauppauge District Office, one (1) in the Syracuse District Office, one (1) in the Buffalo District Office, one (1) in the Poughkeepsie District Office, one (1) in the Brooklyn District Office, one (1) in the Queens District Office, and one (1) in the Bronx District Office. Bids for the ten (10) District Office awards will only be ranked and scored with bids from the same District Office and the contract for each District Office will be awarded to the bidder with the highest aggregate score in the region.

The contract issued pursuant to this proposal will be awarded to the vendor whose aggregate technical and cost score is the highest among all the proposals rated per region. **If NYSED exercises the right to request best and final offers in any region, the contract must be issued to the vendor with the highest aggregate technical and financial score that results from the best and final offer in that region.**

In the event that more than one proposal obtains the highest aggregate score in a region, the contract will be awarded to the vendor in that group of highest aggregate scores in the region whose budget component reflects the lowest overall cost.

NYSED's Reservation of Rights

NYSED reserves the right to: (1) reject any or all proposals received in response to the RFP; (2) withdraw the RFP at any time, at the agency's sole discretion; (3) make an award under the RFP in whole or in part; (4) disqualify any bidder whose conduct and/or proposal fails to conform to the requirements of the RFP; (5) seek clarifications of proposals; (6) use proposal information obtained through site visits, management interviews and the state's investigation of a bidder's qualifications, experience, ability or financial standing, and any material or information submitted by the bidder in response to the agency's request for clarifying information in the course of evaluation and/or selection under the RFP; (7) prior to the bid opening, amend the RFP specifications to correct errors or oversights, or to supply additional information, as it becomes available; (8) prior to the bid opening, direct bidders to submit proposal modifications addressing subsequent RFP amendments; (9) change any of the scheduled dates; (10) waive any requirements that are not material; (11) negotiate with the successful bidder within the scope of the RFP in the best interests of the state; (12) conduct contract negotiations with the next responsible bidder, should the agency be unsuccessful in negotiating with the selected bidder; (13) utilize any and all ideas submitted in the proposals received; (14) unless

RFP #24-016

otherwise specified in the solicitation, every offer is firm and not revocable for a period of 90 days from the bid opening; (15) require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of an offerer's proposal and/or to determine an offerer's compliance with the requirements of the solicitation; (16) request best and final offers.

Post Selection Procedures

Upon selection, the successful bidder will receive a proposed contract from NYSED. The selected bidder may be given an opportunity to reduce its cost proposal in accordance with the agency's right to negotiate a final best price. The contents of this RFP, any subsequent correspondence during the proposal evaluation period, and such other stipulations as agreed upon may be made a part of the final contract prepared by NYSED. Successful bidders may be subject to audit and should ensure that adequate controls are in place to document the allowable activities and expenditure of State funds.

Debriefing Procedures

In accordance with section 163 of the NY State Finance Law, NYSED, upon request, must provide a debriefing to any unsuccessful bidder regarding the reasons their proposal was not selected for an award.

- A. All unsuccessful bidders may request a debriefing within fifteen (15) calendar days of receiving notice from NYSED of non-award. Bidders may request a debriefing by submitting a written request to the Fiscal Contact person at RFP24-016@nysed.gov
- B. Upon receipt of a timely written request from the unsuccessful bidder, NYSED will schedule the debriefing to occur within a reasonable time following receipt of the request. Debriefings will be conducted in person, unless NYSED and the bidder mutually agree to utilize other means, including but not limited to telephone, video-conferencing or other types of electronic communication.
- C. The debriefing will include: a) the reasons that the proposal submitted by the unsuccessful bidder was not selected for an award; b) the qualitative and quantitative analysis employed by NYSED in assessing the relative merits of the proposals; c) the application of the selection criteria to the unsuccessful bidder's proposal; and d) when the debriefing is held after the final award, the reasons for the selection of the winning proposal. The debriefing will also provide, to the greatest extent practicable, general advice and guidance to the unsuccessful bidder concerning potential ways that their future proposals could be more responsive.

Contract Award Protest Procedures

Bidders who receive a notice of non-award or disqualification may protest the NYSED award decision subject to the following:

- A. The protest must be in writing and must contain specific factual and/or legal allegations setting forth the basis on which the protesting party challenges the contract award by NYSED.
- B. The protest must be filed within ten (10) business days of receipt of a debriefing or disqualification letter. The protest letter must be filed with the Contract Administration Unit by emailing RFP24-016@nysed.gov

RFP #24-016

- C. The NYSED Contract Administration Unit (CAU) will convene a review team that will include at least one staff member from each of NYSED's Office of Counsel, CAU, and the Program Office. The review team will review and consider the merits of the protest and will decide whether the protest is approved or denied. Counsel's Office will provide the bidder with written notification of the review team's decision within ten (10) business days of the receipt of the protest. The original protest and decision will be filed with OSC when the contract procurement record is submitted for approval and CAU will advise OSC that a protest was filed.
- D. The NYSED Contract Administration Unit (CAU) may summarily deny a protest that fails to contain specific factual or legal allegations, or where the protest only raises issues of law that have already been decided by the courts.

Vendor Responsibility

State law requires that the award of state contracts be made to responsible vendors. Before an award is made to a not-for-profit entity, a for-profit entity, a private college or university or a public entity not exempted by the Office of the State Comptroller (OSC), NYSED must make an affirmative responsibility determination. The factors to be considered include legal authority to do business in New York State; integrity; capacity – both organizational and financial; and previous performance. Before an award of \$100,000 or greater can be made to a covered entity, the entity will be required to complete and submit a [Vendor Responsibility Questionnaire](#). School districts, Charter Schools, BOCES, public colleges and universities, public libraries, and the Research Foundation for SUNY and CUNY are some of the exempt entities. A [complete list of exempt entities](#) can be viewed at the Office of the State Comptroller's website.

NYSED recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the [VendRep System Instructions](#) or go directly to the [VendRep System on the Office of the State Comptroller's website](#).

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the [Office of the State Comptroller's Help Desk](#) at 866-370-4672 or 518-408-4672 or by email at ITServiceDesk@osc.ny.gov.

Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the [VendRep website](#) or may contact NYSED or the Office of the State Comptroller's Help Desk for a copy of the paper form.

Subcontractors:

For vendors using subcontractors, a Vendor Responsibility Questionnaire and a NYSED vendor responsibility review are required for a subcontractor where:

- the subcontractor is known at the time of the contract award;
- the subcontractor is not an entity that is exempt from reporting by OSC; and
- the subcontract will equal or exceed \$100,000 over the life of the contract.

Note: Bidders must acknowledge their method of filing their questionnaire by checking the appropriate box on the Response Sheet for Bids (5. Submission Documents).

Procurement Lobbying Law

Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between the New York State Education Department (“NYSED”) and an Offerer/bidder during the procurement process. An Offerer/bidder is restricted from making contacts from the earliest notice of the solicitation through final award and approval of the Procurement Contract by NYSED and, if applicable, Office of the State Comptroller (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). Designated staff, as of the date hereof, is identified below. NYSED employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the Offerer/bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found at [NYSED's Procurement Lobbying Law Policy Guidelines webpage](#).

Consultant Disclosure Legislation

Effective June 19, 2006, new reporting requirements became effective for State contractors, as the result of an amendment to State Finance Law §§ 8 and 163. As a result of these changes in law, State contractors will be required to disclose, by employment category, the number of persons employed to provide services under a contract for consulting services, the number of hours worked and the amount paid to the contractor by the State as compensation for work performed by these employees. This will include information on any persons working under any subcontracts with the State contractor.

Chapter 10 of the Laws of 2006 expands the definition of contracts for consulting services to include any contract entered into by a State agency for analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal, or similar services.

To enable compliance with the law, State agencies must include in the Procurement Record submitted to OSC for new consultant contracts, the State Consultant Services Contractor’s Planned Employment from Contract Start Date Through the End of the Contract Term (Form A). The completed form must include information for all employees providing service under the contract whether employed by the contractor or a subcontractor. Please note that the form captures the necessary planned employment information ***prospectively from the start date of the contract through the end of the contract term***.

[Form A](#) is available on OSC’s website.

Please note that although this form is not required as part of the bid submission, NYSED encourages bidders to include it in their bid submission to expedite contract execution if the bidder is awarded the contract. Note also that only the form listed above is acceptable.

Chapter 10 of the Laws of 2006 mandates that State agencies must now require State contractors to **report annually** on the employment information described above, including work performed by

RFP #24-016

subcontractors. The legislation mandates that the annual employment reports are to be submitted by the contractor to the contracting agency, to OSC and to the Department of Civil Service. State Consultant Services Contractor's Annual Employment Report (Form B) is to be used to report the information for all procurement contracts above \$15,000. Please note that, in contrast to the information to be included on Form A, which is a one-time report of planned employment data for the entire term of a consulting contract on a projected basis, **Form B will be submitted each year the contract is in effect and will capture historical information, detailing actual employment data for the most recently concluded State fiscal year (April 1 – March 31).**

[Form B](#) is available on OSC's website.

For more information, please visit [OSC Guide to Financial Operations](#).

NYSED Substitute Form W-9

Any payee/vendor/organization receiving Federal and/or State payments from NYSED must complete the NYSED Substitute Form W-9 if they are not yet registered in the Statewide Financial System centralized vendor file.

RFP #24-016

The NYS Education Department (NYSED) is using the NYSED Substitute Form W-9 to obtain certification of a vendor's Tax Identification Number in order to facilitate a vendor's registration with the SFS centralized vendor file and to ensure accuracy of information contained therein. We ask for the information on the NYSED Substitute Form W-9 to carry out the Internal Revenue laws of the United States.

Workers' Compensation Coverage and Debarment

New York State Workers' Compensation Law (WCL) has specific coverage requirements for businesses contracting with New York State and additional requirements which provide for the debarment of vendors that violate certain sections of WCL. The WCL requires, and has required since introduction of the law in 1922, the heads of all municipal and State entities to ensure that businesses have appropriate workers' compensation and disability benefits insurance coverage *prior* to issuing any permits or licenses, or *prior* to entering into contracts.

Workers' compensation requirements are covered by WCL Section 57, while disability benefits are covered by WCL Section 220(8). The Workers' Compensation Benefits clause in Appendix A – STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS states that in accordance with Section 142 of the State Finance Law, a contract shall be void and of no force and effect unless the contractor provides and maintains coverage during the life of the contract for the benefit of such employees as are required to be covered by the provisions of the WCL.

Under provisions of the 2007 Workers' Compensation Reform Legislation (WCL Section 141-b), any person, or entity substantially owned by that person: subject to a final assessment of civil fines or penalties, subject to a stop-work order, or convicted of a misdemeanor for violation of Workers' Compensation laws Section 52 or 131, is barred from bidding on, or being awarded, any public work contract or subcontract with the State, any municipal corporation or public body for one year for each violation. The ban is five years for each felony conviction.

PROOF OF COVERAGE REQUIREMENTS

The Workers' Compensation Board has developed several forms to assist State contracting entities in ensuring that businesses have the appropriate workers' compensation and disability insurance coverage as required by Sections 57 and 220(8) of the WCL.

Please note – an ACORD form is not acceptable proof of New York State workers' compensation or disability benefits insurance coverage.

Proof of Workers' Compensation Coverage

To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a State contract submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate workers' compensation insurance coverage:

- **Form C-105.2** – Certificate of Workers' Compensation Insurance issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund; or
- **Form SI-12**– Certificate of Workers' Compensation Self-Insurance; or **Form GSI-105.2** Certificate of Participation in Workers' Compensation Group Self-Insurance; or

RFP #24-016

- **CE-200**– Certificate of Attestation of Exemption from NYS Workers’ Compensation and/or Disability Benefits Coverage.

Proof of Disability Benefits Coverage

To comply with coverage provisions of the WCL regarding disability benefits, the Workers’ Compensation Board requires that a business seeking to enter into a State contract must submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate disability benefits insurance coverage:

- **Form DB-120.1** - Certificate of Disability Benefits Insurance; or
- **Form DB-155**- Certificate of Disability Benefits Self-Insurance; or
- **CE-200**– Certificate of Attestation of Exemption from New York State Workers’ Compensation and/or Disability Benefits Coverage.

For additional information regarding workers’ compensation and disability benefits requirements, please refer to the [New York State Workers’ Compensation Board website](#). Alternatively, questions relating to either workers’ compensation or disability benefits coverage should be directed to the NYS Workers’ Compensation Board, Bureau of Compliance at (518) 486-6307.

Please note that although these forms are not required as part of the bid submissions, NYSED encourages bidders to include them in their bid submission to expedite contract execution if the bidder is awarded the contract. Note also that only the forms listed above are acceptable.

Sales and Compensating Use Tax Certification (Tax Law, § 5-a)

Tax Law § 5-a requires contractors awarded State contracts for commodities or services valued at more than \$100,000 over the full term of the contract to certify to the New York State Department of Taxation and Finance (“DTF”) that they are registered to collect New York State and local sales and compensating use taxes, if they made sales delivered by any means to locations within New York State of tangible personal property or taxable services having a cumulative value in excess of \$300,000, measured over a specific period of time. The registration requirement applies if the contractor made a cumulative total of more than \$300,000 in sales during the four completed sales tax quarters which immediately precede the sales tax quarter in which the certification is made. Sales tax quarters are June – August, September – November, December – February, and March – May. In addition, contractors must certify to DTF that each affiliate and subcontractor of such contractor exceeding such sales threshold during a specified period is registered to collect New York State and local sales and compensating use taxes. Contractors must also certify to the procuring State entity that they filed the certification with the DTF and that it is correct and complete.

The selected bidder must file a properly completed Form ST-220-CA (with NYSED as the Contracting Agency) and Form ST-220-TD (with the DTF). These requirements must be met before a contract may take effect. Further information can be found at the [New York State Department of Taxation and Finance’s website](#). Appendix A
STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person

executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY

NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State

contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily

authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS.

Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("[Prohibited Entities List](#)").

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be

appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.
